THE S.O.B. PROGRAM

(s) - sustainable (o) - organic (b) - biodynamic

"Many of our guests have asked us which wines on our list are (s)ustainable, (o)rganic or (b)iodynamic. Most of the wine labels you will find on our list are from small, boutique producers where the utmost care for the environment, staff and sustainability of their companies are considered. Although many of these winemakers are not certified as such, we have done our homework on their agricultural and business practices so that we can confirm for you which producers are going above and beyond just simply making wine."

- Jayme MacFayden, Wine Director
