VEGAN, SUSTAINABLE, ORGANIC & BIODYNAMIC

many of you have asked us which wines on our list are (v) egean, (s) ustainable, (o) rganic and (b) iodynamic most of the wine labels you will find on our list are from small, boutique producers where the utmost care for the environment, staff & sustainability of their companies are considered. we taste each one of the wines before presenting them here to ensure you the tastiest and best valued wines possible.

With love, your neighbourhood wine list curator, Sarah Hill
